This main-level living Craig home is move-in ready with upgrades throughout! Low maintenance engineered hardwood floors in every room, plus neutral paint colors let you make it your own! Upgrades include light fixtures, and trim details! You'll love the open main level floor plan with soaring great room and gourmet kitchen featuring white cabinets, subway tile backsplash and granite counters. Dine at the extended peninsula or host a large meal in the formal dining room. Work from home in the office with French doors for privacy. The first floor owners suite features a walk in closet, and private bathroom with soaking tub, frameless glass shower and double vanity. Upstairs, a loft space overlooking the great room leads to two additional bedrooms with a full bathroom, and a finished Bonus Media room/Guest Suite with private bathroom. Enjoy the double sided gas fireplace in the great room or outside on the patio for year round enjoyment! Additional storage options upstairs and two car garage too!
